KILLED BY A RUNAWAY TEAM.

Walter Wade Met Sudden and Shocking Death Tuesday Afternoon.

HEAD BADLY CRUSHED.

Was thrown From His Wagon Four Miles East of Town.

Walter Wade, of Fairview, was instantly killed by a runaway team four miles east of town Tuesday afternoon. He had spent the day in town and started home with a load of goods. At Ed Morris' pond, where they stopped to water their horses, Al Fritz got into Wade's wagon, leaving his own team to follow on behind. Going down a steep hill Wade's team became unmanageable and ran off. Wade was thrown off the seat in front of his wagon and his skull crushed by the wheels. A large dent was made in his right temple and his left jaw bone was broken. Fritz jumped out and escaped without injury. The team continued to run and tore the wagon to pieces and scattered goods for half a mile.

Mr. Fritz went at once to Mr. Wade's assistance, but he died in a few minutes without regaining consciousness. The body was taken to the residence of Esq. W. D. Parker, near by, and Esq. Parker empaneled a jury which rendered the following verdict:

"We the jury find from the evidence that Walter Wade was killed on the Russellville pike by a runaway team, the wagon wheel having run over his head." J. E. Moseley, foreman, R. F. Vaughan, Ed Morris, W. T. Vaughan, T. H. Harned and Henry Moore.

The body was then brought to this city and prepared for burial. The interment took place yesterday afternoon at Goshen church, near Fairview. Mr. Wade was 24 years of age and unmarried. He was a son of N. Wade, the undertaker, and was in business with his father. He leaves several brothers, one of them in business at Huntsville, Ala.

FOUR HORSES

Belonging to Richard L. Leavell, Killed by I. C. Train.

Four valuable horses belonging to Mr. Richard L. Leavell, were killed by being run over by an Illinois Central train last Monday. The horses, we learn, were running in a field belonging to Mr. Leavell along the railroad, and getting out, were on the track when the train came along and paid no attention to the repeated blasts of the whistle. It was impossible for the engineer to check up before his pilot struck the horses, and all of them were killed. The horses were all good animals, and among them were a pair of blacks which Mr. Leavell had raised with the intention of using them to his family carriage.

IN POT OF SOAP

Little Virginia Hale Is Fearfully Burned.

Virginia Hale, one of Mrs. Ethel Hale's little twin daughters, stepped into a pot of hot soap, that was cooling in the back yard, Tuesday afternoon and was painfully burned on about one fourth of the surface of her body. One leg, side and arm were blistered and greatly burned by the heat and lye. The little girl was jumping a rope in the yard when she fell into the pot. The soap was partially cooled or she would have been scalded to death. The outcome cannot now be foretold, but she is resting as comfortably as could be expected.

SPRING DRESS GOODS

I have received my Spring Stock of Dress Goods and Trimmings and can surely please you in varieties and qualities. A beautiful line in new designs in SILKS, the latest creations. ***

AGED LADY PASSED AWAY.

Mrs. Lucy Elgin Succumbed to Grip Tuesday Afternoon.

WAS AGED 84 YEARS.

She is Survived by Two Daughters and Seven Sons.

After a conflict of several weeks with grip Mrs. Lucy J. Elgin died at her home on South Walnut Street Tuesday afternoon. Had she lived until May she would have been 84 years old.

Mrs. Elgin was a member of the Cumberland Presbyterian church for about a half a century. She was a noble Christian woman and by her kindness and gentleness made friends of all who came within the range of her influence. Several years ago while walking across her room she caught her foot in a rug and was thrown to the floor with such force that her hip was dislocated. She never entirely recovered from the fall and for many years was confined to her room unable to walk most of the time. During all this time she bore her suffering and confinement with Christian resignation.

Mrs. Elgin is survived by two daughters, Mrs. W. B. Kennedy and Mrs. Walter Shaw, both of this city. Seven sons also survive her, namely: Rev. Virgil Elgin, of Marion, W. H., Edgar, Frank, L. L., Geo. W. and Sam P., all of this city.

The funeral services, conducted by Rev. A. C. Biddle, her pastor, and Dr. A. P. Lyon, of the Methodist church, took place at the home of Mr. W. B. Kennedy yesterday afternoon. The remains were interred in Riverside cemetery.

Points About People

YOST—Mr. Frank K. Yost is preparing to erect a fine brown stone front residence on the Geo. O. Thompson lot on East Seventh St. The hill is one of the highest elevations in the city and is underlaid with brown sandstone. Mr. Yost expects to quarry the stone for his house in excavating for the cellar.

McCHORD—Mr. H. P. McChord, the new manager of the Home Telephone Co., is a nephew of Hon. C. C. McChord, chairman of the Railroad Commission of Kentucky. Mr. McChord is a native of Lebanon, and is a young man of most engaging personality and fine business qualifications. His family consist of a young wife and little son.

ISELL—Dr. G. P. Isbell has located in this city for the purpose of practicing veterinary surgery. He is a young man fresh from one of the best schools in the country, and will be located at Layne & Leavell's stables. Writing of him, Dr. J. N. McCormack, secretary of the State Board of Health, says: "I am happy to inform you that he is as well qualified as any under-graduate in a veterinary school can be, and is very much better qualified than most veterinarians practicing in the State." Dr. Isbell will take his final course of lectures at McKillip's Veterinary College at Chicago next winter and become a full graduate. Personally, the Doctor is an agreeable young gentleman, who is fast making friends in the city.

FORT—Messrs Joel B. Fort and Chas. H. Fort, prominent speakers of the Tobacco Association, were in the city Tuesday and paid the Kentuckian a pleasant call. Mr. Joel Fort said the Association's next committee meeting would be held in this city and that a strong effort will be made to strengthen the organization in this county the present season, but no violence will be countenanced by the association.

MORE OUTRAGES.

Night Riders Destroy Plant Beds in Caldwell.

Princeton, Ky., March 25.—Night riders have put salt, clover and grass seed in the tobacco beds owned by about ten prominent independent planters. The loss will amount to thousands of dollars and there is no clue to the culprits.

Baby won't suffer five minutes with croup if you apply Dr. Thomas' Electric Oil at once. It acts like magic.
